## PROFILE

---

*I have 10 years of experience in the field of Graphic Design and Illustration. I have excellent time management skills and am able to work consistently within tight deadlines. Though my concentration is in Illustrating and Graphic Design, I'm well versed in most design areas and can easily adapt to any creative project.*

## EXPERIENCE

---

### University Tees

**Creative Team/Illustrator/Graphic Designer - 2020-2023**

Illustrated and designed for apparel and products while keeping up to date on trends and techniques. Dealt with creating designs that followed college licensing standards. Often mentored other artists on new design techniques and kept up with an incredibly quick turn around time for each design.

---

### Geneologie By Emory Group

**Graphic Designer/ Illustrator - 2013-2020**

Created designs for apparel and products in digital and vector-based art. Familiarized myself with various design applications including screen printing, embroidery and digital printing.

---

### Second City Prints

**Freelance Designer - 2018-Present**

Illustrating and designing apparel items for bands and musicians based off of specific ideas and prompts.

---

### Postcardmania

**Freelance Graphic Designer – May 2015- August 2015**

Designed postcards with typography and images based on different job markets and categories.
